Commissioners Wodele and Abbott moved to approve the June 28, 2011 minutes. Adopted unanimously.

Concrete vs. Asphalt Streets:

Tony reported he talked to Mr. Bob Kohner from Wabasha Sand & Gravel. Mr. Kohner will have a company representative come to a future meeting to give a presentation.

Street Shop Electrical Transfer Switch Box:

Tony reported that during a power outage, it is difficult and dangerous to get the shop doors open manually. He requested permission to get quotes for an electrical transfer switch box. Commissioners directed Tony to get quotes and bring back to a future meeting.

2011 Sealcoat Project:

Tony reported the 2011 Sealcoat Project is completed and everything has been swept once and will be swept again later this fall. He stated the quality of work was good this year.

All streets have been done except the streets that are identified as needing to be reconstructed. He stated 2012 sealcoat budget has been increased to \$20,000 and some parking lots will be done too.

2016 Street Replacement List:

He stated he has Pierce Avenue and Jefferson Avenue on the 2016 Street Replacement list. These streets have been patched and sealcoated but he is not confident they will hold up for another couple of winters.

At 3:32 pm, Commissioners Wodele and Pfeilsticker moved to adjourn. Adopted unanimously.
